

2010 marks the Diamond Jubilee year of Edinburgh's celebrated Royal Military Tattoo. As always, the exciting programme will include probably its two most popular items - the music of the **Massed Pipes and Drums** and that of the **Massed Military Bands**. Among the many bands taking part are those of **South African Irish Regiment** along with the **South Australian Pipes and Drums** and the prestigious **Military Band of the Coldstream Guards**. Our seats are on the halfway line and are probably our best yet. The bus leaves the club at 5:30pm for a 7:30pm start at the Tattoo. Then back again to the club in time for a nightcap.
